

## Board of Governors

**DAVID HURDER**  
**Vice President**  
**McGean**

---

Dave is Vice President and part owner of McGean, a privately held specialty chemical company headquartered in Cleveland, Ohio with subsidiaries in the UK, Singapore and China. His responsibilities include McGean's Specialty Chemicals and Custom Manufacturing businesses, all supply chain and manufacturing activities, process technology, plus environmental, health, safety and security. Dave serves on the Board of Directors for McGean, as well as the Ohio Chemical and Technology Council (OCTC).

Prior to joining McGean in 1997, Dave held manufacturing management positions of increasing responsibility during his 19-year career in the Chemical Manufacturing Group at Air Products and Chemicals. He holds a Bachelor of Science degree in Chemical Engineering from Louisiana State University.
