

Take A Fresh Look...

*at the Leading Trade Association
Representing the Specialty & Fine
Chemicals Sector*

The Society of Chemical Manufacturers & Affiliates (SOCMA) is part of a **\$300 billion industry** that's fueling the U.S. economy. Our **members play an indispensable role** in the **global chemical supply chain**, providing specialty chemicals to companies in markets ranging from **aerospace and electronics to pharmaceuticals and agriculture**.

As the only **U.S.-based trade association** solely dedicated to the **specialty and fine chemical industry**, we are expanding our foundation by **developing ChemSectors** with a focus on growing **key market segments**. Our **industry network** extends to more than **20,000 influencers and decision makers** in the **specialty chemicals supply chain**. For more information on becoming a part of this growing and innovative association, visit www.socma.com.
